

*Alzheimer's: It's a Disease, NOT a Disgrace*TM

August 10th, 3:00 p.m. | Chelsea Retirement Community, 805 West Middle St., Chelsea, MI 48118

Learn about Alzheimer's disease and how to recognize it, acquire caregiving skills, and get help. Hear the story of Jim Mangi's 14-year – so far – "Unwelcome JourneyTM" as he cares for his wife, Kathleen, after she developed younger onset Alzheimer's at age 58. Hear how Jim relates it to swimming in the Egyptian River "Denial" and then learns to lovingly lie and grow ever closer to Kathleen, even as she has forgotten who he is.

Expect factual information, insights, a few laughs, and perhaps some tears.

***Following the presentation, enjoy
a complimentary meal to-go!***
